

NAME

[Blank line for name]

Personal Pyramid

use this for:

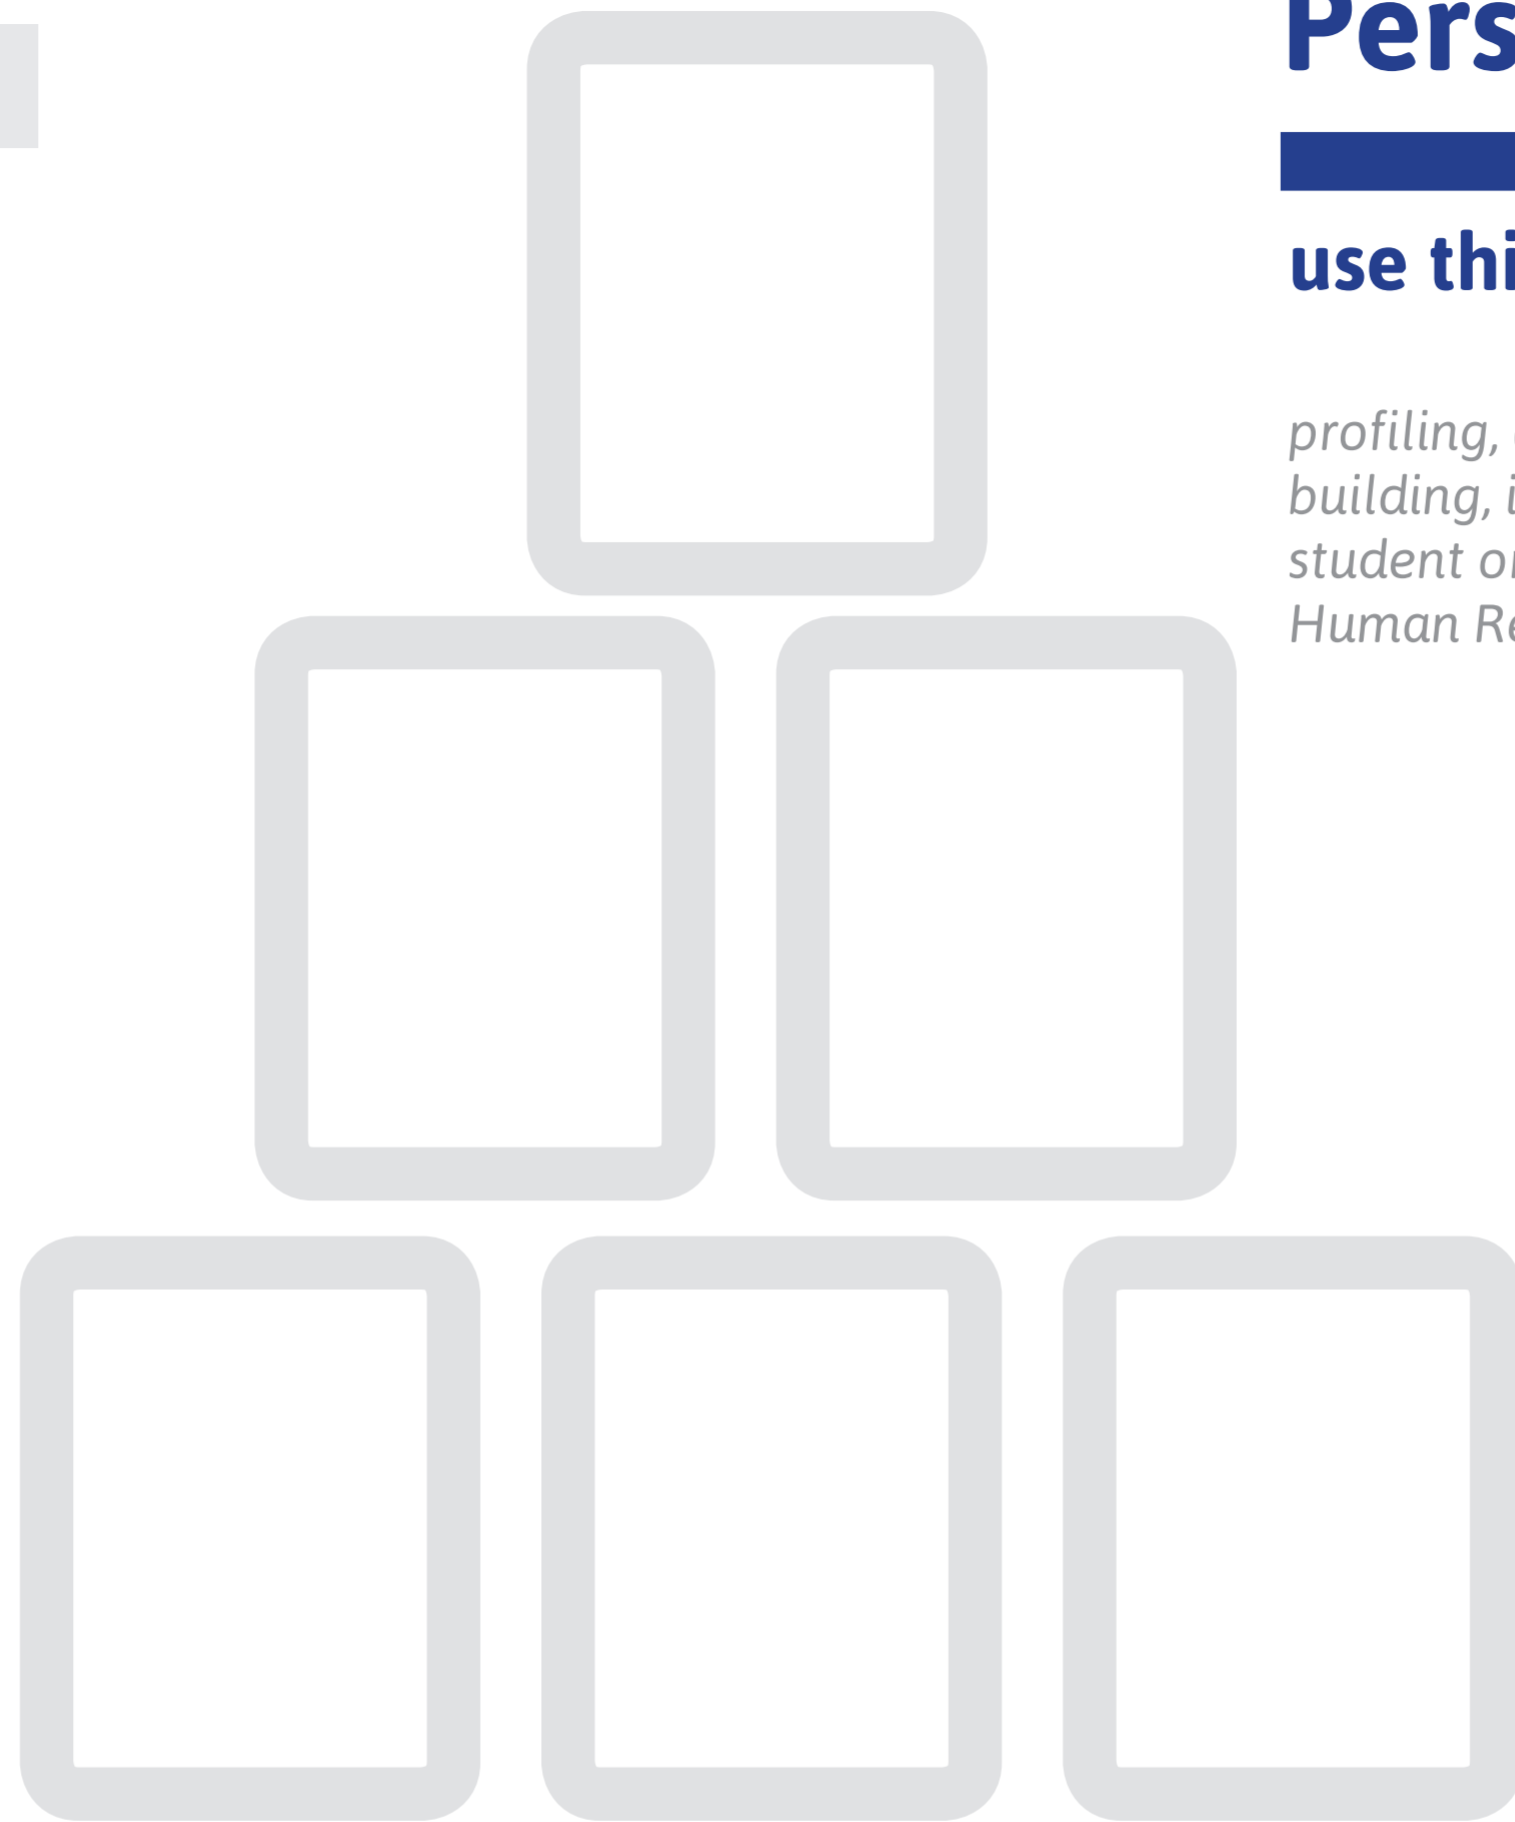

profiling, character building, ideation, student orientation, Human Resources

how to play:

Use the **Personal Characteristics** Card deck. Place cards that are relevant to you & define you on the pyramid, top being the most relevant.

Below the dotted line: those elements that need to be worked on.

Play Emotions cards to see how the Pyramid changes.

[Four purple rectangular boxes for personal work area & to do list, located below a red dotted line]
