

Story telling

use this for:

profiling, ice breakers,
group ideation,
character building

how to play:

version 1

Take 4 cards to profile yourself.
Put the cards in front of you.
Take turns: pick a card from a
player, who needs to tell a story
related to that card.

optional: add cards from the
character or emotion deck.

version 2

Put all cards upside down in the
center. Draw a card from some-
one, who needs to tell a story/
personal experience related to
that card. Then it's her/his turn.
